Any offering material involving the sale of securities of the Virginia small business investment company must include the following statement: "By authorizing the formation of a Virginia small business investment company, the Commonwealth of Virginia does not endorse the quality of management or the potential for earnings of the company and is not liable for damages or losses to a participating investor in the company. Use of the word "certified" in an offering does not constitute a recommendation or endorsement of the investment by the Tax Commissioner. Any proceeds received from a qualified investment may be invested in another qualified investment and count toward any requirement in this article with respect to investments of designated capital.

C. Nothing in this article shall limit an insurance company's ownership of nonvoting equity interests in a Virginia small business investment company.

D. A business that is classified as a qualified business at the time of the first investment in the business by a Virginia small business investment company remains classified as a qualified business and may receive follow-on investments from any Virginia small business investment company. Except as provided by this section, a follow-on investment made under this section is a qualified investment even though the business may not meet the definition of a qualified business at the time of the follow-on investment. A follow-on investment does not qualify as a qualified investment if, at the time of the follow-on investment, the qualified business no longer has its principal business operations in the Commonwealth.

E. A qualified investment may not be made at a cost to a Virginia small business investment company greater than 15 percent of the total designated capital of the company at the time of

197 guarantor;

198 5. Obligations of the Commonwealth or any political subdivision of the Commonwealth; or

199 6. Any other investments approved in advance and in writing by the Tax Commissioner.

202 the Virginia small business investment company shall not be permitted to pay management fees.

203 1. If, within seven years after an allocation date, a Virginia small business investment company has

205 investments, the Virginia small business investment company shall not be permitted to pay management
206 fees.

207 § 58.1-2538. Evaluation of business by Tax Commissioner.

208 A. A Virginia small business investment company may, before making an investment in a business,
209 request from the Tax Commissioner a written opinion as to whether the business in which it proposes to
210 invest is a qualified business.

211 B. The Tax Commissioner shall, not later than the fifteenth business day after the date of the receipt
212 of a request pursuant to subsection A, determine whether the business meets the definition of a qualified
213 business, and notify the Virginia small business investment company of the determination and an
214 explanation of its determination or notify the Virginia small business investment company that an
215 additional 15 days will be needed to review and make the determination.

216 C. If the Tax Commissioner fails to notify the Virginia small business investment company with
217 respect to the proposed investment within the period specified by subsection B, the business in which the
218 company proposes to invest is considered to be a qualified business.

219 § 58.1-2539. Reports to Tax Commissioner; audited financial statement.

220 A. Each Virginia small business investment company shall report to the Tax Commissioner as soon
221 as practicable after the receipt of designated capital:

230 2. Whether or not the company has invested more than 15 percent of its total designated capital in
231 any one business without specific approval of the Tax Commissioner;

236 C. Not later than April 1 of each year, the company shall provide to the Tax Commissioner an
237 annual audited financial statement that includes the opinion of an independent certified public

239 company to determine whether:

240 1. The company is complying with this article;

241 2. The funds received by the company have been invested as required within the time provided by
242 § 58.1-2537; and

§ 58.1-2540. *Renewal.*

A. Not later than January 31 of each year, each Virginia small business investment company shall pay a nonrefundable renewal fee of \$5,000 to the Tax Commissioner. If a Virginia small business investment company fails to pay its renewal fee on or before that date, the company must pay, in addition to the renewal fee, a late fee of \$5,000 to continue its certification.

B. Notwithstanding subsection A, a renewal fee is not required within six months of the date on which the company's certification is issued under § 58.1-2534.

B. Notwithstanding subsection A, a company may make repayments of principal and interest on its indebtedness without any restriction, including repayments of indebtedness of the company on which participating investors earned license tax credits.

C. If a business in which a qualified investment is made relocates its principal business operations to another state during the term of the Virginia small business investment company's investment in the business, the cumulative amount of qualified investments made by the Virginia small business investment company for purposes of satisfying the requirements of subsection A only is reduced by the amount of the Virginia small business investment company's qualified investments in the business that has relocated. This shall not apply if the business demonstrates that it has returned its principal business operations to the Commonwealth not later than the ninetieth day after the date of its relocation.

§ 58.1-2542. *Annual review; decertification.*

A. The Tax Commissioner shall conduct an annual review of each Virginia small business investment company to:

1. Ensure that the company continues to satisfy the requirements of this article and that the company has not made any investment in violation of this article; and

2. Determine the eligibility status of its qualified investments.

B. The cost of the annual review shall be paid by each Virginia small business investment company according to a reasonable fee schedule adopted by the Tax Commissioner.

C. A material violation is grounds for decertification of the Virginia small business investment company. If the Tax Commissioner determines that a company is not in compliance § 58.1-2537, 58.1-2539 or 58.1-2540, the Tax Commissioner shall notify the officers of the company in writing that the company may be subject to decertification after the one-hundred-twentieth day after the date of mailing of the notice, unless the deficiencies are corrected and the company returns to compliance with those sections.

D. The Tax Commissioner may decertify a Virginia small business investment company, after opportunity for hearing, if the Tax Commissioner finds that the company is not in compliance with § 58.1-2537, 58.1-2539 or 58.1-2540 at the end of the period established by subsection C. Decertification under this subsection is effective on receipt of notice of decertification by the company. The Tax Commissioner shall notify any appropriate state agency of the decertification.

§ 58.1-2543. *Administrative penalty.*

A. The Tax Commissioner may impose an administrative penalty on a Virginia small business investment company that violates this article.

B. The amount of the penalty may not exceed \$25,000, and each day a violation continues or occurs is a separate violation for the purpose of imposing a penalty. The amount of the penalty shall be based on:

1. The seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;

2. The economic harm caused by the violation;

3. The history of previous violations;

4. The amount necessary to deter a future violation;

5. Efforts to correct the violation; and

6. Any other matter that justice may require.

§ 58.1-2544. *Recapture and forfeiture of license tax credits; decertification of company.*

305 and A 2 of § 58.1-2537 and is subsequently decertified, any license tax credit that has been or will be

308 allocation date is subject to forfeiture only if the company is decertified on or before the fifth
309 anniversary of its allocation date; and

310 3. For a company that has invested an amount cumulatively equal to 100 percent of its designated
311 capital in qualified investments, any license tax credit claimed or to be claimed by a participating

320 this section may not be provided by more than one participating investor of the Virginia small business
321 investment company or affiliate of the participating investor.

322 § 58.1-2546. License tax credit.

323 A. A Virginia small business investment who makes an investment of designated capital shall in the
324 year of investment earn a vested credit against state license tax liability equal to 100 percent of the

326 participating investor may take up to 20 percent of the vested license tax credit in any taxable year
327 beginning on or after January 1, 2014.

328 B. The credit to be applied against state license tax liability in any one year may not exceed the
329 state license tax liability of the participating investor for the taxable year. Any unused credit against
330 state license tax liability may be carried forward indefinitely until the license tax credits are used.

331 C. A participating investor claiming a credit against state license tax liability earned through an
332 investment in a company is not required to pay any additional retaliatory tax levied under Chapter 25

341 claim, subject only to the receipt of an allocation under § 58.1-2549.

342 B. A participating investor may not claim a license tax credit under § 58.1-2546 for an investment
343 that has not been funded, even if the participating investor has committed to fund the investment.

344 § 58.1-2548. Total limit on credits.

345 A. The total amount of designated capital for which license tax credits may be allowed under this
346 article for all years in which license tax credits are allowed is \$100 million.

347 B. The total amount of designated capital for which license tax credits may be allowed for all
348 participating investors under this article may not exceed the amount that would entitle all participating
349 investors in Virginia small business investment companies to take total credits of \$20 million in a year.

350 C. A Virginia small business investment company and its affiliates may not file license tax credit
351 allocation claims in excess of the maximum amount of designated capital for which license tax credits
352 may be allowed as provided in this section.

353 § 58.1-2549. Pro rata allocation of credits.

354 A. If the total license tax credits claimed by all participating investors exceeds the total limits on
355 license tax credits established by subsection A of § 58.1-2548, the Tax Commissioner shall allocate the
356 total amount of license tax credits allowed under this article to participating investors in Virginia small
357 business investment companies on a pro rata basis in accordance with this section.

358 B. The pro rata allocation for each participating investor shall be the product of:

359 1. A fraction, the numerator of which is the amount of the license tax credit allocation claim filed on

363 article.

364 C. Not later than March 1 of each year, the Tax Commissioner shall notify each Virginia small

D. If a Virginia small business investment company does not receive an investment of designated capital equaling the amount of license tax credits allocated to a participating investor for which it filed a license tax credit allocation claim before the end of the tenth business day after the date of receipt of notice of allocation, the company shall notify the Tax Commissioner by overnight common carrier delivery service and that portion of capital allocated to the participating investor shall be forfeited. The Tax Commissioner shall reallocate the forfeited capital among the participating investors in the other Virginia small business investment companies that originally received an allocation so that the result after reallocation is the same as if the initial allocation under this section had been performed without considering the license tax credit allocation claims that were subsequently forfeited.

E. The maximum amount of designated capital for which license tax credit allocation may be allowed on behalf of any one participating investor and its affiliates, whether by one or more Virginia small business investment companies, may not exceed 25 percent of the maximum aggregate amount available under subsection A of § 58.1-2548.

§ 58.1-2550. Impact of tax credits claimed by a participating investor on insurance rates.

A participating investor is not required to reduce the amount of license tax included by the investor in connection with ratemaking for any insurance contract written in the Commonwealth because of a reduction in the investor's license tax derived from the credit granted under this article.

§ 58.1-2551. Transferability of credit.

A. The Tax Commissioner shall adopt regulations to facilitate the transfer or assignment of license tax credits by participating investors. A participating investor shall not transfer or assign, agree to transfer, or agree to sell or assign license tax credits until 180 days from the date on which the participating investor invested designated capital. After 180 days from the date of investment, a participating investor, or subsequent transferee, may transfer credits based upon rules adopted by the Tax Commissioner to facilitate such transfers.

B. Any tax credits recaptured under this article remain the liability of the participating investor that actually applied the credit towards its tax liability.

C. The transfer or assignment of a license tax credit does not affect the schedule for taking the license tax credit under this article.

2. That the provisions of this act shall become effective on January 1, 2011.
