Notwithstanding the provisions of subdivisions 1 through 34 of this subsection 35, a health care entity shall obtain an individual's written authorization for any disclosure of psychotherapy notes, except when disclosure by the health care entity is (i) for its own training programs in which students, trainees, or practitioners in mental health are being taught under supervision to practice or to improve their skills in group, joint, family, or individual counseling; (ii) to defend itself or its employees or staff against any accusation of wrongful conduct; (iii) in the discharge of the duty, in accordance with subsection B of § 54.1-2400.1, to take precautions to protect third parties from violent behavior or other serious harm; (iv) required in the course of an investigation, audit, review, or proceeding regarding a health care entity's conduct by a duly authorized law-enforcement, licensure, accreditation, or professional review entity; or (v) otherwise required by law.

E. Requests for copies of health records shall (i) be in writing, dated and signed by the requester; (ii) identify the nature of the information requested; and (iii) include evidence of the authority of the requester to receive such copies and identification of the person to whom the information is to be disclosed. The health care entity shall accept a photocopy, facsimile, or other copy of the original signed by the requestor as if it were an original. Within 15 days of receipt of a request for copies of health records, the health care entity shall do one of the following: (i) furnish such copies to any requester authorized to receive them; (ii) inform the requester if the information does not exist or cannot be found; (iii) if the health care entity does not maintain a record of the information, so inform the requester and provide the name and address, if known, of the health care entity who maintains the record; or (iv) deny the request (a) under subsection F, (b) on the grounds that the requester has not established his authority to receive such health records or proof of his identity, or (c) as otherwise provided by law. Procedures set forth in this section shall apply only to requests for health records not specifically governed by other provisions of state law.

F. Except as provided in subsection B of § 8.01-413, copies of an individual's health records shall not be furnished to such individual or anyone authorized to act on the individual's behalf when the individual's treating physician or the individual's treating clinical psychologist has made a part of the individual's record a written statement that, in the exercise of his professional judgment, the furnishing to or review by the individual of such health records would be reasonably likely to endanger the life or physical safety of the individual or another person, or that such health record makes reference to a person other than a health care provider and the access requested would be reasonably likely to cause substantial harm to such referenced person. If any health care entity denies a request for copies of health records based on such statement, the health care entity shall inform the individual of the individual's right to designate, in writing, at his own expense, another reviewing physician or clinical psychologist, whose licensure, training and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose opinion the denial is based. The designated reviewing physician or clinical psychologist shall make a judgment as to whether to make the health record available to the individual.

The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician or clinical psychologist, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician or clinical psychologist. The health care entity shall permit copying and examination of the health record by such other physician or clinical psychologist designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician or clinical psychologist shall be accompanied by a statement from the custodian of the health record that the individual's treating physician or clinical psychologist determined that the individual's review of his health record would be reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

583 H. Pursuant to this subsection:

584 1. Unless excepted from these provisions in subdivision 9 of this subsection, no party to a civil,
585 criminal or administrative action or proceeding shall request the issuance of a subpoena duces tecum for
586 another party's health records or cause a subpoena duces tecum to be issued by an attorney unless a
587 copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the other
588 party's counsel or to the other party if pro se, simultaneously with filing the request or issuance of the
589 subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces
590 tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a
591 copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the
592 request or issuance of the attorney-issued subpoena.

593 No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date
594 of the subpoena except by order of a court or administrative agency for good cause shown. When a
595 court or administrative agency directs that health records be disclosed pursuant to a subpoena duces
596 tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the
597 subpoena.

598 Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena
599 duces tecum is being issued shall have the duty to determine whether the individual whose health
600 records are being sought is pro se or a nonparty.

601 In instances where health records being subpoenaed are those of a pro se party or nonparty witness,
602 the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness
603 together with the copy of the request for subpoena, or a copy of the subpoena in the case of an
604 attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall
605 include the following language and the heading shall be in boldface capital letters:

606 NOTICE TO INDIVIDUAL

607 The attached document means that (insert name of party requesting or causing issuance of the
608 subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has
609 been issued by the other party's attorney to your doctor, other health care providers (names of health
610 care providers inserted here) or other health care entity (name of health care entity to be inserted here)

requiring them to produce your health records. Your doctor, other health care provider or other health care entity is required to respond by providing a copy of your health records. If you believe your health records should not be disclosed and object to their disclosure, you have the right to file a motion with the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued subpoena. You may contact the clerk's office or the administrative agency to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health care provider(s), or other health care entity, that you are filing the motion so that the health care provider or health care entity knows to send the health records to the clerk of court or administrative agency in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for an individual's health records shall include a Notice in the same part of the request in which the recipient of the subpoena duces tecum is directed where and when to return the health records. Such notice shall be in boldface capital letters and shall include the following language:

NOTICE TO HEALTH CARE ENTITIES

A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

NO MOTION TO QUASH WAS FILED; OR

ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH SUCH RESOLUTION.

IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE FOLLOWING PROCEDURE:

PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA. THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE AGENCY.

3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8 of this subsection.

4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such health records until they have received a certification as set forth in subdivision 5 or 8 of this subsection from the party on whose behalf the subpoena duces tecum was issued.

If the health care entity has actual receipt of notice that a motion to quash the subpoena has been filed or if the health care entity files a motion to quash the subpoena for health records, then the health care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or administrative agency issuing the subpoena or in whose court or administrative agency the action is pending. The court or administrative agency shall place the health records under seal until a determination is made regarding the motion to quash. The securely sealed envelope shall only be opened on order of the judge or administrative agency. In the event the court or administrative agency grants the motion to quash, the health records shall be returned to the health care entity in the same sealed envelope in which they were delivered to the court or administrative agency. In the event that a judge or administrative agency orders the sealed envelope to be opened to review the health records in camera, a copy of the order shall accompany any health records returned to the health care entity. The health records returned to the health care entity shall be in a securely sealed envelope.

5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued

672 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the
673 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion
674 to quash was filed. Any health care entity receiving such certification shall have the duty to comply
675 with the subpoena duces tecum by returning the specified health records by either the return date on the
676 subpoena or five days after receipt of the certification, whichever is later.

677 6. In the event that the individual whose health records are being sought files a motion to quash the
678 subpoena, the court or administrative agency shall decide whether good cause has been shown by the
679 discovering party to compel disclosure of the individual's health records over the individual's objections.
680 In determining whether good cause has been shown, the court or administrative agency shall consider (i)
681 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of
682 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the
683 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or
684 proceeding; and (v) any other relevant factor.

685 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if
686 subpoenaed health records have been submitted by a health care entity to the court or administrative
687 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no
688 submitted health records should be disclosed, return all submitted health records to the health care entity
689 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide
690 all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon
691 determining that only a portion of the submitted health records should be disclosed, provide such portion
692 to the party on whose behalf the subpoena was issued and return the remaining health records to the
693 health care entity in a sealed envelope.

694 8. Following the court or administrative agency's resolution of a motion to quash, the party on whose
695 behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed
696 health care entity a statement of one of the following:

697 a. All filed motions to quash have been resolved by the court or administrative agency and the
698 disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the
699 health records previously delivered in a sealed envelope to the clerk of the court or administrative
700 agency will not be returned to the health care entity;

701 b. All filed motions to quash have been resolved by the court or administrative agency and the
702 disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no
703 health records have previously been delivered to the court or administrative agency by the health care
704 entity, the health care entity shall comply with the subpoena duces tecum by returning the health records
705 designated in the subpoena by the return date on the subpoena or five days after receipt of certification,
706 whichever is later;

707 c. All filed motions to quash have been resolved by the court or administrative agency and the
708 disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no
709 health records shall be disclosed and all health records previously delivered in a sealed envelope to the
710 clerk of the court or administrative agency will be returned to the health care entity;

711 d. All filed motions to quash have been resolved by the court or administrative agency and the
712 disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only
713 limited disclosure has been authorized. The certification shall state that only the portion of the health
714 records as set forth in the certification, consistent with the court or administrative agency's ruling, shall
715 be disclosed. The certification shall also state that health records that were previously delivered to the
716 court or administrative agency for which disclosure has been authorized will not be returned to the
717 health care entity; however, all health records for which disclosure has not been authorized will be
718 returned to the health care entity; or

719 e. All filed motions to quash have been resolved by the court or administrative agency and the
720 disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no
721 health records have previously been delivered to the court or administrative agency by the health care
722 entity, the health care entity shall return only those health records specified in the certification,
723 consistent with the court or administrative agency's ruling, by the return date on the subpoena or five
724 days after receipt of the certification, whichever is later.

725 A copy of the court or administrative agency's ruling shall accompany any certification made
726 pursuant to this subdivision.

727 9. The provisions of this subsection have no application to subpoenas for health records requested
728 under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation,
729 audit, review or proceedings regarding a health care entity's conduct.

730 The provisions of this subsection shall apply to subpoenas for the health records of both minors and
731 adults.

732 Nothing in this subsection shall have any effect on the existing authority of a court or administrative
733 agency to issue a protective order regarding health records, including, but not limited to, ordering the

return of health records to a health care entity, after the period for filing a motion to quash has passed.
A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

I. Health care entities may testify about the health records of an individual in compliance with §§ 8.01-399 and 8.01-400.2.
