These reports, if not contested, may constitute sufficient evidence upon which the district court judge or special justice may base his decision. The examiner, if not physically present at the hearing, and the treating physician at the facility of temporary detention shall be available whenever possible for questioning during the hearing through a two-way electronic video and audio or telephonic communication system as authorized in § 37.2-804.1.

61 days from the date of the court order. Such involuntary admission shall be to a facility designated by
62 the community services board that serves the county or city in which the person was examined as
63 provided in § 37.2-816. If the community services board does not designate a facility at the commitment
64 hearing, the person shall be involuntarily admitted to a facility designated by the Commissioner. Upon
65 the expiration of an order for involuntary admission, the person shall be released unless he is
66 involuntarily admitted by further petition and order of a court, which shall be for a period not to exceed
67 180 days from the date of the subsequent court order, or such person makes application for treatment on
68 a voluntary basis as provided for in § 37.2-805 or is ordered to mandatory outpatient treatment pursuant
69 to subsection D. Upon motion of the treating physician, a family member or personal representative of
70 the person, or the community services board serving the county or city where the facility is located, the
71 county or city where the person resides, or the county or city where the person receives treatment, a
72 hearing shall be held prior to the release date of any involuntarily admitted person to determine whether
73 such person should be ordered to mandatory outpatient treatment pursuant to subsection D upon his
74 release if such person, on at least two previous occasions within 36 months preceding the date of the
75 hearing, has been (A) involuntarily admitted pursuant to this section or (B) the subject of a temporary
76 detention order and voluntarily admitted himself in accordance with subsection B of § 37.2-814. A
77 district court judge or special justice shall hold the hearing within 72 hours after receiving the motion
78 for a mandatory outpatient treatment order; however, if the 72-hour period expires on a Saturday,
79 Sunday, or legal holiday, the hearing shall be held by the close of business on the next day that is not a
80 Saturday, Sunday, or legal holiday.

81 C1. In the order for involuntary admission, the judge or special justice may authorize the treating
82 physician to discharge the person to mandatory outpatient treatment under a discharge plan developed
83 pursuant to subsection C2, if the judge or special justice further finds by clear and convincing evidence
84 that (i) the person has a history of lack of compliance with treatment for mental illness that at least
85 twice within the past 36 months has resulted in the person being subject to an order for involuntary
86 admission pursuant to subsection C; (ii) in view of the person's treatment history and current behavior,
87 the person is in need of mandatory outpatient treatment following inpatient treatment in order to prevent
88 a relapse or deterioration that would be likely to result in the person meeting the criteria for involuntary
89 inpatient treatment; (iii) as a result of mental illness, the person is unlikely to voluntarily participate in
90 outpatient treatment unless the court enters an order authorizing discharge to mandatory outpatient
91 treatment following inpatient treatment; and (iv) the person is likely to benefit from mandatory
92 outpatient treatment. The duration of mandatory outpatient treatment shall be determined by the court
93 based on recommendations of the community services board, but shall not exceed 90 days. Upon
94 expiration of the order for mandatory outpatient treatment, the person shall be released unless the order
95 is continued in accordance with § 37.2-817.4.

96 C2. Prior to discharging the person to mandatory outpatient treatment under a discharge plan as
97 authorized pursuant to subsection C1, the treating physician shall determine, based upon his professional
98 judgment, that (i) the person (a) in view of the person's treatment history and current behavior, no
99 longer needs inpatient hospitalization, (b) requires mandatory outpatient treatment at the time of
100 discharge to prevent relapse or deterioration of his condition that would likely result in his meeting the
101 criteria for involuntary inpatient treatment, and (c) has agreed to abide by his discharge plan and has the
102 ability to do so; and (ii) the ordered treatment will be delivered on an outpatient basis by the community
103 services board or designated provider to the person. In no event shall the treating physician discharge a
104 person to mandatory outpatient treatment under a discharge plan as authorized pursuant to subsection C1
105 if the person meets the criteria for involuntary commitment set forth in subsection C. The discharge plan
106 developed by the treating physician and facility staff in conjunction with the community services board
107 and the person shall serve as and shall contain all the components of the comprehensive mandatory
108 outpatient treatment plan set forth in subsection G, and no initial mandatory outpatient treatment plan set
109 forth in subsection F shall be required. The discharge plan shall be submitted to the court for approval
110 and, upon approval by the court, shall be filed and incorporated into the order entered pursuant to
111 subsection C1. The discharge plan shall be provided to the person by the community services board at
112 the time of the person's discharge from the inpatient facility. The community services board where the
113 person resides upon discharge shall monitor the person's compliance with the discharge plan and report
114 any material noncompliance to the court in accordance with § 37.2-817.1.

115 D. After observing the person and considering (i) the recommendations of any treating or examining
116 physician or psychologist licensed in Virginia, if available, (ii) any past actions of the person, (iii) any
117 past mental health treatment of the person, (iv) any examiner's certification, (v) any health records
118 available, (vi) the preadmission screening report, and (vii) any other relevant evidence that may have
119 been admitted, if the judge or special justice finds by clear and convincing evidence that (a) the person
120 has a mental illness and that there exists a substantial likelihood that, as a result of mental illness, the
121 person will, in the near future, (1) cause serious physical harm to himself or others as evidenced by

122 recent behavior causing, attempting, or threatening harm and other relevant information, if any, or (2)
 123 suffer serious harm due to his lack of capacity to protect himself from harm or to provide for his basic
 124 human needs; (b) less restrictive alternatives to involuntary inpatient treatment that would offer an
 125 opportunity for improvement of his condition have been investigated and are determined to be
 126 appropriate; (c) the person has agreed to abide by his treatment plan and has the ability to do so; and
 127 (d) the ordered treatment will be delivered on an outpatient basis by the community services board or
 128 designated provider to the person, the judge or special justice shall by written order and specific findings
 129 so certify and order that the person be admitted involuntarily to mandatory outpatient treatment. Less
 130 restrictive alternatives shall not be determined to be appropriate unless the services are actually available
 131 in the community.

132 E. Mandatory outpatient treatment may include day treatment in a hospital, night treatment in a
 133 hospital, outpatient involuntary treatment with anti-psychotic medication pursuant to Chapter 11
 134 (§ 37.2-1100 et seq.), or other appropriate course of treatment as may be necessary to meet the needs of
 135 the person. Mandatory outpatient treatment shall not include the use of restraints or physical force of
 136 any kind in the provision of the medication. The community services board that serves the county or
 137 city in which the person resides shall recommend a specific course of treatment and programs for the
 138 provision of mandatory outpatient treatment. The duration of mandatory outpatient treatment shall be
 139 determined by the court based on recommendations of the community services board, but shall not
 140 exceed 90 days. Upon expiration of an order for mandatory outpatient treatment, the person shall be
 141 released from the requirements of the order unless the order is continued in accordance with
 142 § 37.2-817.4.

143 F. Any order for mandatory outpatient treatment entered pursuant to subsection D shall include an
 144 initial mandatory outpatient treatment plan developed by the community services board that completed
 145 the preadmission screening report. The plan shall, at a minimum, (i) identify the specific services to be
 146 provided, (ii) identify the provider who has agreed to provide each service, (iii) describe the
 147 arrangements made for the initial in-person appointment or contact with each service provider, and (iv)
 148 include any other relevant information that may be available regarding the mandatory outpatient
 149 treatment ordered. The order shall require the community services board to monitor the implementation
 150 of the mandatory outpatient treatment plan and report any material noncompliance to the court.

151 G. No later than five days, excluding Saturdays, Sundays, or legal holidays, after an order for
 152 mandatory outpatient treatment has been entered pursuant to subsection D, the community services board
 153 where the person resides that is responsible for monitoring compliance with the order shall file a
 154 comprehensive mandatory outpatient treatment plan. The comprehensive mandatory outpatient treatment
 155 plan shall (i) identify the specific type, amount, duration, and frequency of each service to be provided
 156 to the person, (ii) identify the provider that has agreed to provide each service included in the plan, (iii)
 157 certify that the services are the most appropriate and least restrictive treatment available for the person,
 158 (iv) certify that each provider has complied and continues to comply with applicable provisions of the
 159 Department's licensing regulations, (v) be developed with the fullest possible involvement and
 160 participation of the person and his family, with the person's consent, and reflect his preferences to the
 161 greatest extent possible to support his recovery and self-determination, (vi) specify the particular
 162 conditions with which the person shall be required to comply, and (vii) describe how the community
 163 services board shall monitor the person's compliance with the plan and report any material
 164 noncompliance with the plan. The community services board shall submit the comprehensive mandatory
 165 outpatient treatment plan to the court for approval. Upon approval by the court, the comprehensive
 166 mandatory outpatient treatment plan shall be filed with the court and incorporated into the order of
 167 mandatory outpatient treatment. Any subsequent substantive modifications to the plan shall be filed with
 168 the court for review and attached to any order for mandatory outpatient treatment.

169 H. If the community services board responsible for developing the comprehensive mandatory
 170 outpatient treatment plan determines that the services necessary for the treatment of the person's mental
 171 illness are not available or cannot be provided to the person in accordance with the order for mandatory
 172 outpatient treatment, it shall notify the court within five business days of the entry of the order for
 173 mandatory outpatient treatment. Within two business days of receiving such notice, the judge or special
 174 justice, after notice to the person, the person's attorney, and the community services board responsible
 175 for developing the comprehensive mandatory outpatient treatment plan shall hold a hearing pursuant to
 176 § 37.2-817.2.

177 I. Upon entry of any order for mandatory outpatient treatment entered pursuant to subsection D, the
 178 clerk of the court shall provide a copy of the order to the person who is the subject of the order, to his
 179 attorney, and to the community services board required to monitor compliance with the plan. The
 180 community services board shall acknowledge receipt of the order to the clerk of the court on a form
 181 established by the Office of the Executive Secretary of the Supreme Court and provided by the court for
 182 this purpose *within five business days*.

183 J. The court may transfer jurisdiction of the case to the district court where the person resides at any
184 time after the entry of the mandatory outpatient treatment order. The community services board
185 responsible for monitoring compliance with the mandatory outpatient treatment plan or discharge plan
186 shall remain responsible for monitoring the person's compliance with the plan until the community
187 services board serving the locality to which jurisdiction of the case has been transferred acknowledges
188 the transfer and receipt of the order to the clerk of the court on a form established by the Office of the
189 Executive Secretary of the Supreme Court and provided by the court for this purpose. *The community*
190 *services board serving the locality to which jurisdiction of the case has been transferred shall*
191 *acknowledge the transfer and receipt of the order within five business days.*
